QUESTIONS:

Please answer as thoroughly as possible. Use the backside of this application if needed.

Tell us a bit about yourself and your interest in art or teaching (or both!):

Based on the description of the internship listed on the previous page, why do you feel you would be a good candidate for this Internship? Please be specific as to how you will help support instructors and students in the classroom.

What do you feel YOU can gain from this Internship?

What topics do you feel you would benefit from during the Saturday Academy?

Please mark all that apply:

Portfolio Review

Peer Critiques

Visits with local arts professionals

Photographing your work

Marketing yourself and your art

College application help

Specialized art projects (clay, printmaking, weaving & dyeing fabrics)

Other topics of interest to you:

Do you have an interest in pursuing art or arts education in the future? If so, tell us a little about your aspirations:

Do you have access to reliable transportation? If not, can we assist you in some way?
