Fish Sculpture

As part of this lesson, we will discuss the history of clay for both its functional and decorative uses. These ceramic fish both fun and functional and are the perfect project to help students explore clay by rolling, pinching and carving.

\$10 **7+**

Light Switch Cover

This project is a great way for students to create a function pottery piece to decorate their space in a unique way. Students will learn the fundamentals of hand building with clay and they will have the opportunity to play with pattern making and adornment for their pieces.

\$5 **5+**

Heart Box

Boxes and containers have a long and important history in ceramics, and the instructor will discuss some of the ways pottery has been using for storing, collecting and preserving. Once completed, these lovely boxes can be used to store any number of goodies.

\$8 **8+**

Animal Bowl

As part of this lesson, we will discuss the long history of animals in art. After students choose what animal they would like to create for their bowls, they will learn the basics of hand building and attaching forms. After it is fired, bowls can be used for many of your favorite foods!

Floral Watercolor

As part of this lesson, we will discuss the history of still life painting and the importance of careful observation. The instructor will arrange a floral still life using seasonal flowers and greenery and guide students to each create their own unique painting using various watercolor techniques.

\$10 7+

Self Portrait Drawing

This lesson will take students through the fundamentals of drawing. The instructor will discuss the importance of practice and observation in drawing and lead students through some warm up activities. Students will then have the chance to delve into a self portrait drawing of their own using a number of different drawing tools.

\$8 10+

2D Design & Printmaking

This lesson will help students understand the importance of printed media and the fun of multiples! After choosing from one of our stock designs, students will each have the opportunity to print their own image and finish by applying the text of their choice using letterpress techniques.

\$15 8+

Art History Photo Shoot

This is a great lesson to learn about and recreate different famous works of art. Choose between a number of famous art works to bring to life by recreating the piece and leaving a place for you to add yourself to the picture! When completed, this project is a great opportunity for a fun photoshoot.
